You will visit: Harvard University or Northeastern University; MIT or Boston University; Boston College, Wellesley College, or Tufts University; Brown University, Rhode Island School of Design, or Johnson & Wales University; Trinity College or University of Connecticut; Yale University or Wesleyan University; Columbia University, Barnard College or Fordham University; New York University, Fashion Institute of Technology, or Parsons School of Design; University of Pennsylvania, Temple University, or Drexel University; Swarthmore College, Villanova University, or Haverford College; Dickinson College or Franklin & Marshall College; University of Delaware; Johns Hopkins University, Morgan State University, or Loyola University; Howard University or University of Maryland; George Washington University, Georgetown University, or American University. *(You choose school to visit when given option)*

There will be student led campus tours / meals, meetings with admission officers, overnight stays in hotels, activities, and plenty of sightseeing. Activities on previous tours have included exploring the areas surrounding the schools, attending special events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the visits.

The tour will be led by Mr. Chris Teare, Director of College Counseling, Antilles School, USVI, and Mr. Robert Rummerfield, Director, **COLLEGE VISITS**. Before starting **COLLEGE VISITS**, Mr. Rummerfield was an admissions officer at The Johns Hopkins University. Antilles School students and Mr. Teare have participated on our tours during the past fourteen years. Since 1991, students, parents, and counselors from across the world have joined our tours. Some of their comments:

"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time. I was able to get to know some of my classmates better."

"Before this tour I was certain that I knew where I wanted to attend college, but now I have discovered other options. There is a school out there for everyone. It is just a matter of finding it."

"It was great to see so many campuses without having to organize all of the visits myself. It was a very educational experience. I learned a lot about colleges that prior to the tour, I did not know much about."

"Good chance to see many schools I would not have otherwise seen."

"I feel like I have an educated opinion about the schools out there. This information will help me in my college-decision process."

"It let us experience the "feeling" of the schools as well as getting good information."

If you have any questions about the trip, please contact Mr. Teare (cteare@antilles.vi), or us. We look forward to your participation!
