California / Oregon / Washington College Tour: March 21 – April 1, 2010

Tour Description:

This twelve day / eleven night excursion will introduce you to several colleges and universities. You will have the chance to experience first-hand what college life is all about, and have an exciting and educational time with your classmates and friends.

You will visit: University of California at Berkeley; St. Mary's College; Santa Clara University; University of San Francisco; University of the Pacific; California State University, Chico; Southern Oregon University; University of Oregon; Oregon State University; Pacific University; University of Portland; Lewis & Clark College; St. Martin's University; Evergreen State College; Pacific Lutheran University; University of Puget Sound; Seattle University; University of Washington; Seattle Pacific University.

There will be student led campus tours, meetings with admission officers, campus meals, classroom visits, activities, and plenty of sightseeing. Overnight lodging will be in hotels. Activities on previous tours have included exploring the areas surrounding the schools, attending special events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the campus visits.

Mrs. Belinda Chung, college counselor, St. Andrew's Priory School, HI, and Mr. Dan Feldhaus, college counselor, Pacific Buddhist Academy, HI, will lead the tour. **COLLEGE VISITS** is directed and founded by Robert Rummerfield, who previously was an assistant director of admissions at The Johns Hopkins University. Since 1991, students, parents, and counselors from across the world have joined us on trips. Some of their comments:

"Before this tour I was certain that I knew where I wanted to attend college, but now I have discovered other options."

"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time. I was able to meet new people and got to know some of my classmates better."

"I got to meet interesting people and see places I had never seen before. More importantly, I got a chance to see and define the qualities I am looking for in a university."

"It was well organized, executed, and overall, insightful in content. I feel we visited many good schools and the variety will definitely help me decide where I want to go."

"The tour was a lot of fun. It was great to see so many campuses without having to organize all of the visits myself. It was a very educational experience, and I learned a lot about colleges that prior to the tour, I did not know much about."

If you have any questions about the trip, or would like additional information, please contact Mrs. Chung (bchung@priory.net), Mr. Feldhaus (dfeldhau@iolani.org), or us. We look forward to your participation!
