## **Southeast College Tour: July 11 - 16, 2010**

### **TOUR DESCRIPTION:**

This six day / five night excursion will introduce you to several colleges and universities. You will have the chance to experience first-hand what college life is all about, and have an exciting and educational time with peers and new friends.

You will visit: George Mason University; University of Richmond or Randolph-Macon College; Duke University and University of North Carolina at Chapel Hill OR Elon University and Guilford College; Wake Forest University, Salem College, or North Carolina School of the Arts; Davidson College or University of North Carolina at Charlotte; University of Georgia; Emory University or Oglethorpe University; Vanderbilt University or Belmont University. (You CHOOSE SCHOOL TO VISIT WHEN GIVEN OPTION)

There will be student led campus tours, meetings with admission officers, campus meals, activities, and plenty of sightseeing. Lodging will occur in hotels located near the schools and is based on double occupancy. Activities on previous tours have included exploring the areas surrounding the schools, attending special events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the campus visits.

The trip will be led by representatives from **COLLEGE VISITS** and high school counselors. **COLLEGE VISITS** is directed and founded by Robert Rummerfield, who previously was an assistant director of admissions at The Johns Hopkins University. Since 1991, teenagers, parents, and counselors from across the world have joined our tours. Some of their comments:

**"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time. I was able to meet new people and got to know some of my classmates better."**

**"Before this tour I was certain that I knew where I wanted to attend college, but now I have discovered other options. There is a school out there for everyone. It is just a matter of finding it."**

**"It was great to see so many campuses without having to organize all of the visits myself. It was a very educational experience, and I learned a lot about colleges that prior to the tour, I did not know much about."**

**"Good chance to see many schools I would not have otherwise seen."**

**"I feel like I have an educated opinion about the schools out there. This information will help me in my college-decision process."**

**"It let us experience the "feeling" of the schools as well as getting good information."**
