COLLEGE VISITS
215 East Bay Street, Suite 401

Dear Bob,

Thank you for another wonderful college tour that you provided this year for Overlake students and counselors. In the 5+ years that I have worked with *College Visits* to plan our annual college tour, you and your staff have always been such a pleasure to work with—professional, responsive and meticulous in handling of arrangements for my group of 30+ students each year.

Whether we are touring colleges on the east or west coast, working with *College Visits* has always been such a positive experience. You all are certainly expert in providing a first-class college tour experience for both my students and fellow counselors. As a result, our families know that the trip arranged by *College Visits* will provide not only a quality learning experience for their students, but also comfortable accommodations—from lodging and meals to transportation. Your attention to details allows us, the school chaperones, to focus on the students! Consequently, our students always indicate they find the tour to be an “amazing and fun experience,” as well as educational!

Thanks for all you do to provide this wonderful service to members of our community. I look forward to planning our next college tour in California with you and your staff this fall.

Sincerely,

Diane Freytag, M.Ed.
