Southeast College Tour: June 11 - 15, 2012

Tour Description:

This five day / four night excursion will introduce you to several colleges and universities. You will have the chance to experience first-hand what college life is all about, and have an exciting and educational time with your classmates and friends.

You will visit: Elon University; High Point University; University of Georgia; Clemson University or Furman University; Davidson College; Wake Forest University; James Madison University; University of Virginia; College of William & Mary; University of Richmond. (You CHOOSE SCHOOL TO VISIT WHEN GIVEN OPTION)

There will be student led campus tours, meetings with admission officers, campus meals, activities, and plenty of sightseeing. Lodging will occur in hotels located near the schools and is based on double occupancy. Activities on previous tours have included exploring the areas surrounding the schools, attending special events, and shopping in malls and markets. Throughout the trip, participants receive helpful information, materials, and tips on how to make the most of the campus visits.

The tour will be led by Mrs. Kathy Cleaver, Director of College Counseling, Durham Academy, and Mr. Robert Rummerfield, Director of **COLLEGE VISITS**. Before starting **COLLEGE VISITS** in 1991, Mr. Rummerfield was an admissions officer at The Johns Hopkins University. The past eighteen summers, Durham Academy students and Mrs. Cleaver have participated on our tours. Some of their comments:

"I really enjoyed the tour and have found a few colleges that I will apply to. There was a good balance between visits and fun time. I was able to meet new people and got to know some of my classmates better."

"I got to meet interesting people and see places I had never seen before. More importantly, I got a chance to see and define the qualities I am looking for in a university."

"It was well organized, executed, and overall, insightful in content. I feel we visited many good schools and the variety will definitely help me decide where I want to go."

"The tour was a lot of fun. It was great to see so many campuses without having to organize all of the visits myself. It was a very educational experience, and I learned a lot about colleges that prior to the tour, I did not know much about."

"Good chance to see many schools I would not have otherwise seen."
